

Advanced Magnet Source Corporation

April 5, 2006

RoHS (Restriction of Hazardous Substances) Compliance with European Directive 2000/95/EC

As a supplier of NdFeB (Neo) magnets, Advanced Magnet Source understands the international environmental policies and principles as embodied in RoHS EU ECO-Directive (2002/95/EC), and hereby declares that we will comply with these international laws and regulations. AMSC will work together with its customers to observe these international environmental standards, monitor carefully its products and manufacturing processes, avoid the use of restricted or banned materials or chemical substances, and use only components, products and packaging which meet the standards sets by RoHS EU ECO-Directive (2002/95/EC).

Current, our NdFeB magnets are compliant with the RoHS EU ECO-LAW (2002/95/EC) with respect to SGS testing on the following substances:

Element	Content
Cadmium	<2 PPM
Lead	<1000 PPM
Mercury	<2 PPM
Hexavalent Chromium	<2 PPM
PBB	<5 PPM
PBDE	<5 PPM
